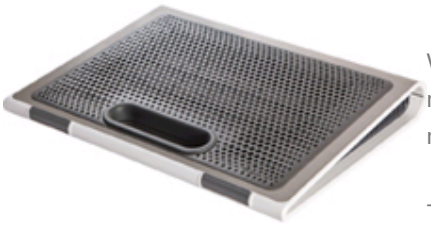
AWE62EU | Targus Lap Store Mat



The Targus Lap Store Mat raises your laptop comfortably away from your lap, dissipating unwanted heat.

Innovative storage space inside the mat enables the protection, storage and easy transportation of your key accessories and mobile devices around the home.

While in use, flexible side fins enable you connect devices like mobile phones or external hard drives that are stored inside the mat to your laptop.

The angled design of this mat combined with a soft neoprene construction ensures maximum comfort during extended periods of use. Whilst, the ventilated surface lets your laptop breathe, keeping it cool

Use your laptop freely on the sofa, in bed or wherever you want around the house.

A tactile, soft neoprene feels comfy on your lap

Angled design increases comfort during use

Internal storage compartments allow you to conveniently store you essential accessories, such as power, mice, USB drives etc

Non slip rubber handle keeps laptop in place

Ventilated surface lets your laptop breathe, keeping it cool

Fits all laptops and netbooks up to 17”
